AMENDMENT

Dear Sir:

In response to the Official Action mailed October 24, 2000, please amend the above identified patent application as follows:

IN THE CLAIMS:

Please amend the claims without prejudice as rewritten below:

Cl

1. (Twice Amended) A portable radio telephone having an antenna which can be pivoted about an axis between a first position in which it projects from a surface of the telephone, and a second position in which it projects from a surface of the telephone, whereby the antenna may only pivot in a single plane and through an acute angle, the antenna being biased and adapted to be locked as the antenna pivots.
